

TEXT ALERTS

NOW AVAILABLE!

Our school utilizes the SchoolMessenger system to deliver text messages, straight to your mobile phone with important information about events, school closings, safety alerts and more.

On Thurs. Jan. 25, parents whose cell phone numbers are on file at the campus will receive a text message sent from SchoolMessenger on the District's behalf. The invitation message will come from our 'short code' number, 67587.

To continue to receive important messages, we encourage you to reply with "Y" or "Yes" when you receive this verification message. If you do not reply, you will not receive any further text messages from our schools.

You can also opt out of these messages at any time by simply replying to one of our messages with "Stop."

Text messaging will not replace other forms of communication already in place for McKinney ISD. Rather, it will be added to our avenues of communication.

Please note, although the district does not charge you for this service, it does not pay for text message charges that may be incurred by you for sending or receiving text messages. Check with your wireless carrier for possible charges.
